

Consents Upload

User Manual

It would be perfect if you perused the manual before starting your Journey as a entity to accomplish distinct duties in the implementation.

Consents Upload

pages (3-6)

The screenshot shows the 'Consents Upload' page in a Vodafone web application. The header includes the Vodafone logo, a notification icon, 'E1 Test', and the '!dea' logo. The navigation menu contains 'DASHBOARD', 'HEADERS', 'TEMPLATES', 'TELEMARKETERS', and 'CONSENTS UPLOAD'. The main content area has a 'Consents Upload' title and an 'UPLOAD' button. Below this is a search form with fields for 'Enter Consent Template ID', 'Enter Reference Name', and a 'Pending' dropdown menu, followed by a 'SEARCH' button and a 'DOWNLOAD' button. A table with the following headers is visible: 'TEMPLATE ID', 'Reference ID', 'Name', 'Submitted Volume', 'Valid Numbers', 'Invalid Count', 'Failed Count', 'Status', and 'Requested Date'. The table is currently empty.

This screenshot shows the same 'Consents Upload' page, but with a message indicating that no consents are registered. The search form and table headers are identical to the previous screenshot. In the center of the table area, there is a document icon and the text 'No Consents are Registered'. At the bottom of the page, it says 'Showing 0 to 0 of 0 entries' and includes 'Previous' and 'Next' navigation links.
